

Take care of you! (and your wallet).

Getting hurt happens, but it shouldn't have to hurt your wallet as well. SmartShopper can help you save money when you shop for x-rays and scans, as well as other procedures. You can earn cash when you choose a reward eligible location - all of which are in network.

Shop online or call a Personal Assistant who can help you:

- Find a quality, convenient location for your procedure
- Schedule the procedure at the location of your choice
- Save money on out-of-pocket costs
- Earn a cash reward for your choices

I needed to get a scan done, I went online and it was super easy to select what I wanted and then the check automatically came.
