FRIDAY SCHEDULE FOR OVMS 2018-2019

During the 17-18 school year, SOCS schools will again dismiss 30 minutes early on Fridays. The only exception to this would be if school would have a two hour delay on a Friday. In that instance, school would dismiss at the normal time of 3:20 p.m. This early release process allows teachers to have time for monthly professional development throughout the school year.
